1. The Board of Elevator Examiners ("Board") agreed to accept the meeting minutes from September 21, 2016. A motion was put forth by Walter Zalenski to accept the minutes. The motion was seconded by George Dahlquist. **Vote 6-0; All in Favor.**

Matters not previously anticipated 48 hours in advance of this meeting

Deirdre Ann Hosler, Deputy General Counsel, addressed the Board in regards to the Board's jurisdiction on the approval of elevator apprenticeship programs. Counsel's position was reversed after researching DPS records. Counsel established that historically it has been the Board of Elevator Examiners who have handled these training approvals, and has specifically approved CET training. Counsel will contact Gould Construction Institute and will forward the Board's request for additional documentation. A motion was put forth by Walter Zalenski that the Board of Elevator Examiners will continue to

oversee the curriculum for apprenticeship training programs. The motion was seconded by Lenny Chase.
